

CENTER 548

Center548 is 35,000 square feet of clean, open space situated in the heart of the Chelsea Arts District.

Center548 is the quintessential blank canvas coveted by event producers for its ability to transform into any environment. The venue has hosted product launches for Fortune 500 companies, fashion and trade shows, conferences, benefits and private parties.

Each floor is 9,000 square feet of virtually column-free space and 14-foot high ceilings.

The building is equipped with a 30 ft long freight elevator making loading in easy, and providing guests with a spectacular entrance to events.

CENTER 548

Center548 is equipped with 400 amps of power per floor, abundant rigging points, new HVAC system, kitchen facility, tiled roof, and 100mb fiber optic internet connection.

CENTER 548

The venue is divided into 3 floors and roof deck with views of Manhattan and the Hudson River.

Cars may be driven onto any floor, including the roof.
