

CENTER 548

Center548 is 35,000 square feet of clean, open space situated in the heart of the Chelsea Arts District.

Center548 is the quintessential blank canvas covered by event producers for its ability to transform into any environment. The venue has hosted product launches for Fortune 500 companies, fashion and trade shows, conferences, benefits and private parties.

Center548 freight elevator in this photo

Each floor is 9,000 square feet of virtually column-free space and 14-foot high ceilings.

The building is equipped with a 30 ft long freight elevator making loading in easy, and providing guests with a spectacular entrance to events.

CENTER 548

Center548 is equipped with 300 amps of power per floor, rigging points, new HVAC system, kitchen facility, tiled roof and high-speed internet. Cars may be driven onto any floor and the roof.

CENTER 548

The venue is divided into
3 floors and roof deck
with views of Manhattan
and the Hudson River.
